

Please do not change the no call list law. Since I signed up for the no call list, my home life is as it should be, quiet and relaxing. Before the list, my phone rang all the time, at the most inopportune times. I never realized until I signed up for the no call list that the majority of these calls (probably 85%) were from solicitors. It is nice to be able to enjoy whatever I want to do in my time off from work, without the threat of being harrassed by people trying to sell me something.
